PORCELAIN PAVERS

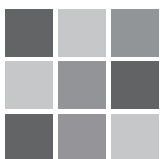

DOLMIX GRIGIO

Mid grey base color peppered with relatively large irregular shaped stonelike inclusions in colors ranging from off white through orange/ brown to dark grey, simulating the stone chips used in manufacturing traditional cement-based terrazzo flooring.

Individual pavers display relatively small color and tonal variation.

Lightly textured, anti-slip surface

Color & Shade Variation:

V3
High shade
& texture variation

Size:

23 7/16" x 23 7/16"

Specifications:

Thickness	3/4"
Weight	9 lb / sq.ft
Water Absorption	< 0.1%
Static Load	Center ≥ 1800 lbf
Slip Resistance	R11
Coefficient of Friction	> 0.6 wet, > 0.6 dry
