

Eterno 'Prime' Pedestal

The simplest and most cost-effective adjustable deck support to specify, estimate and install.

ADVANTAGES

- Only three pedestals cover heights from 1 1/4" to 16 1/2"
- Large 46 in.² circular base is precut on one side for easy installation along walls and also scored to enable quick cuts when laid in corners
- Easily removable spacer tabs
- Self-leveling heads provide automatic slope compensation up to 5%
- Top entry tool enables post installation height adjustments
- Screwed columns provide continuous height adjustment
- Anti-twist safety lock
- Bi-material head provides superior sound deadening and shock protection
- Wide 4 1/2" diam. column ensures excellent stability at high elevations
